

EBRAINS 10-Year Roadmap 2026–2036

Writing Team

Confirmed members · status as of 16 October 2026

The writing team is composed of the EBRAINS Management Board, the Science and Technology Committee (ESTC), the Ethics and Society Committee (EESC), the moderators of the Strategy Symposium debates held in Munich (21–22 May 2026) and community volunteers with domain expertise. The team provides input to, reviews and approves the short Roadmap document (due approx. late 2026) and contributes to the longer document (early 2027).
