

# Agenda

## Day 1 – 21 May 2026

Time	Session	Details
08:30–09:00	Registration and Coffee	Badge collection, networking.
09:00–09:30	Opening Session	Welcome and address by EBRAINS leadership. Roadmap process, symposium structure, and rules of engagement.
09:30–10:30	S1 – Multiscale architecture and brain function	<i>How does brain function emerge from its multiscale architecture?</i>
10:30–11:00	Coffee Break	
11:00–12:00	S2 – Digital brain twins for disease and intervention	<i>How do we build digital brain twins that capture disease mechanisms well enough to guide intervention?</i>
12:00–13:00	S3 – Computation, AI, and intelligent infrastructure	<i>How do computation, AI, and intelligent infrastructure shape what we can learn about the brain – and what brains can teach machines?</i>
13:00–14:30	Lunch	Provided on site. Informal exchange between contributors and organisers.
14:30–15:30	T1 – Clinical and technological translation	<i>How do we translate digital brain science into clinical practice and technological innovation?</i>
15:30–16:30	T2 – Sustainability, accessibility, and societal responsibility	<i>How do we ensure the sustainability, accessibility, and societal responsibility of brain research infrastructure?</i>
16:30–17:00	Coffee Break	
17:00–17:30	Day 1 Closing	Synthesis by symposium chair · Slido vote reminder.

# Agenda

## Day 2 – 22 May 2026

Time	Session	Details
08:30–09:00	Coffee and Arrival	
09:00–10:00	Panel 1 – Reflections on Day 1	Moderated panel with rapporteurs, Review Committee, and community. Convergences, disagreements, and pre/post Slido vote results.
10:00–11:00	Panel 2 – EBRAINS in the European and Global Landscape	Moderated panel with external experts. Positioning relative to ESFRI, EuroHPC, ELIXIR; international partnerships; European Brain Data Space and AI; sustainability, governance, and long-term funding.
11:00–11:30	Coffee Break	
11:30–11:45	Remarks by EC Representative	On behalf of the European Commission.
11:45–12:15	Synthesis and Handoff to Writing Team	Live synthesis of priorities, areas of consensus, and unresolved tensions. Next steps: timeline (Q3–Q4 2026), integration, and community review.
12:15–12:30	Closing Remarks	Final words from EBRAINS leadership. Acknowledgements.
12:30–13:30	Farewell Lunch	Light lunch and networking before departures.
